

Resolution No. 2022-029

**RESOLUTION NO. 2022-029**

**RESOLUTION AMENDING THE 2022-23 BUDGET TO  
INCORPORATE A LIST OF PROJECTS FUNDED BY SB 1: THE  
ROAD REPAIR AND ACCOUNTABILITY ACT.**

**WHEREAS**, Senate Bill 1 (SB-1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

**WHEREAS**, SB 1 includes accountability and transparency provisions that will ensure the residents of the City of Fontana are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

**WHEREAS**, the City of Fontana must include a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, in the City of Fontana budget, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

**WHEREAS**, the City of Fontana, will receive an estimated \$\$4,145,574 in RMRA funding in Fiscal Year 2022-23 from SB-1; and

**WHEREAS**, the City of Fontana shall include the RMRA funding in the 2022-23 fiscal year budget and 7-year CIP which will be adopted June 14, 2022; and

**WHEREAS**, the City of Fontana used a Pavement Management System to develop the SB- 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community's priorities for transportation investment; and

**WHEREAS**, the funding from SB-1 will help the City of Fontana maintain and rehabilitate eighteen (18) Lane Miles of roads throughout the City of Fontana this year and many similar projects into the future; and

**WHEREAS**, the 2016 California Statewide Local Streets and Roads Needs Assessment found that the City of Fontana streets and roads are in an "above average" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a "good" condition; and

**WHEREAS**, without revenue from SB-1, the City of Fontana, would have otherwise been postponing certain projects throughout the community; and

Resolution No. 2022-029

**WHEREAS**, if the Legislature and Governor failed to act, city streets and county roads would have continued to deteriorate, having many and varied negative impacts on our community; and

**WHEREAS**, cities and counties own and operate more than 81 percent of streets and roads in California, and from the moment we open our front door to drive to work, bike to school, or walk to the bus station, people are dependent upon a safe, reliable local transportation network; and

**WHEREAS**, modernizing the local street and road system provides well-paying construction jobs and boosts local economies; and

**WHEREAS**, the local street and road system is also critical for, interconnectivity, multimodal needs, and commerce; and

**WHEREAS**, police, fire, and emergency medical services all need safe reliable roads to react quickly to emergency calls and a few minutes of delay can be a matter of life and death; and

**WHEREAS**, maintaining and preserving the local street and road system in good condition will reduce drive times and traffic congestion, improve bicycle safety, and make the pedestrian experience safer and more appealing, which leads to reduced vehicle emissions helping the State achieve its air quality and greenhouse gas emissions reductions goals; and

**WHEREAS**, restoring roads before they fail reduces construction time and expenses which result in less air pollution from heavy equipment and less water pollution from site run-off; and

**WHEREAS**, the SB-1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide. SB-1 will expedite the maintenance effort citywide on the most high-priority and cost-effective projects and help meet the need for the community's priorities for transportation investment.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City Fontana, California, as follows:

**Section 1.** The foregoing recitals are true and correct.

**Section 2.** The City of Fontana adopted budget for fiscal year 2021-22 shall incorporate the following list of projects planned to be funded with Road Maintenance and Rehabilitation Account revenues:

From time to time, City of Fontana (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
